Introduction to Pediatric Nutrition
October 27 and November 3, 2014

Course objectives
» Identify important aspects in pediatric nutritional assessment.
» Describe multiple pediatric diagnoses and their implications for nutritional care.
» Apply practical management guidelines for children with various nutritional needs.

10 hours of continuing education credits have been approved by the Academy for Nutrition and Dietetics.

LOCATION
Boston Children’s Hospital
Folkman Auditorium, Enders Building
300 Longwood Avenue
Boston, MA
Wheelchair accessible

WHAT TO BRING
Please have pen and calculator for classwork.

DIRECTIONS
The Longwood Medical area is accessible by public transportation. By subway, take the Green Line, D (Riverside) or E (Heath Street) to the Longwood stop. childrenshospital.org/directions

PARKING
» $37.00/day at Boston Children’s Parking Garage—across from the main entrance to the hospital at the corner of Blackfan St. and Longwood Avenue.
» $29.00/day at 375 Longwood Garage—above Bruegger’s Bagels, three blocks north of Boston Children’s.
